

## **PROJECT NAME**

---

Pre-security Retail Enhancements

## **CURRENT CHALLENGE**

---

Due to the changes that will be occurring with the Baggage Handling System upgrade project, Prairie Unique will need to move to a new location.

## **WHAT WE'RE DOING**

---

New commercial retail unit (CRU) space will be developed in the middle of the air terminal building across from the Info Desk. This area will include the future Prairie Unique and additional CRU/office space beside it.

## **WHAT TO EXPECT DURING CONSTRUCTION**

---

Hoarding walls will be put up to secure the work space. The current Ambassador Lounge area will also be closed.

## **ESTIMATED PROJECT COMPLETION DATE**

---

End of 2018.

## **DID YOU KNOW...?**

---

- The new retail space will result in the removal of the display case. A new gallery is being developed to allow for local art displays and industry exhibits.
- With the terminal expansion completed in 2015, Prairie Unique opened a second store post-security called Prairie North.
