

## Saskatoon Airport Authority Board Vacancy

The Rural Municipality of Corman Park (the "**RM of Corman Park**"), in its capacity as a Nominator, and the Board of Directors (the "**Board**") of the Saskatoon Airport Authority (the "**SAA**"), are soliciting interest from qualified individuals to fill an upcoming vacancy on the SAA Board beginning in late April, 2020.

The SAA Board is recruiting for a professional engineer (civil, mechanical, and/or electrical engineering discipline), with strong business acumen and experience in project management and/or senior leadership. Applicants must also be a resident of the RM of Corman Park. Further information, including term details and frequency of meetings, will be provided upon request. In that regard, please contact Shannon Schlosser at the SAA office for additional information.

Prospective SAA Board members will be evaluated against certain established criteria for Board membership (see the SAA website, [www.skyxe.ca](http://www.skyxe.ca), under [By-laws](#)) encompassing career experience, education, and certain requisite skill sets. The RM of Corman Park and the SAA both recognize that it is valuable to the effectiveness of the SAA Board that its membership respects the diversity of the community that it serves.

If you meet the qualifications above and wish to be considered for nomination by the RM of Corman Park to the SAA Board, please forward your resume by not later than November 18, 2019 to:

Saskatoon Airport Authority  
Attention: Board Nomination  
#1, 2625 Airport Drive  
Saskatoon, SK S7L 7L1
