Non-Signatory	\$4.65	\$18.60	0%

AIRPORT IMPROVEMENT LEVY (AIL)

The AIL will be equivalent to 10% of the in-Province passenger AIF rate multiplied by the seating capacity of the aircraft. The seating capacity of the aircraft is to be determined based upon the general design configuration for the aircraft, if available or based upon a ratio of 2.5 seats per 1000 kg MTOW for those aircraft not generally configured for passenger traffic. The current in-Province AIF is \$5.00 per seat therefore the infrastructure levy for applicable aircraft will be \$0.50 per seat.
